

**THE SHORELINE BREAKS OVER AN ANCIENT VOLCANIC LANDSCAPE.**

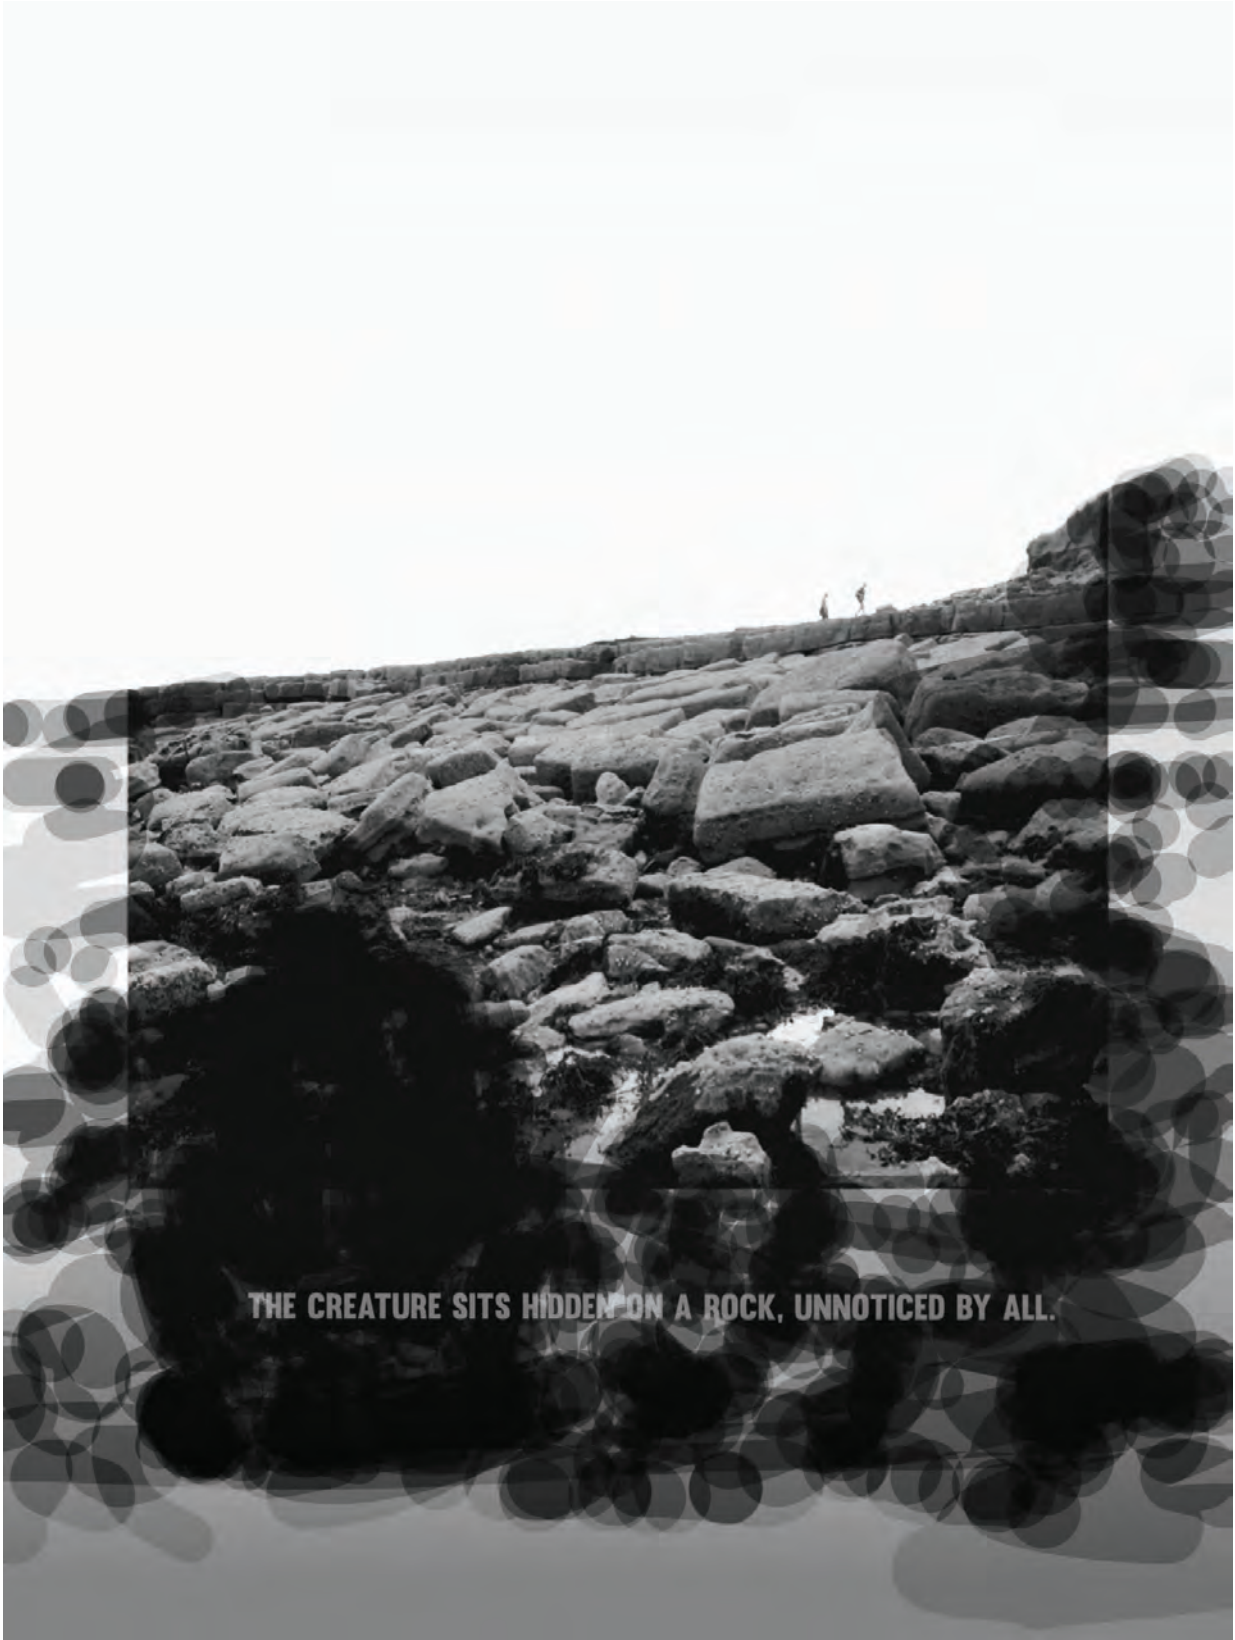

**IT IS RELATIVELY CALM TO BEGIN WITH  
THE SOUND OF A BREEZE BLOWING, BIRDS CALLING AND WAVES BREAKING IN THE DISTANCE.**

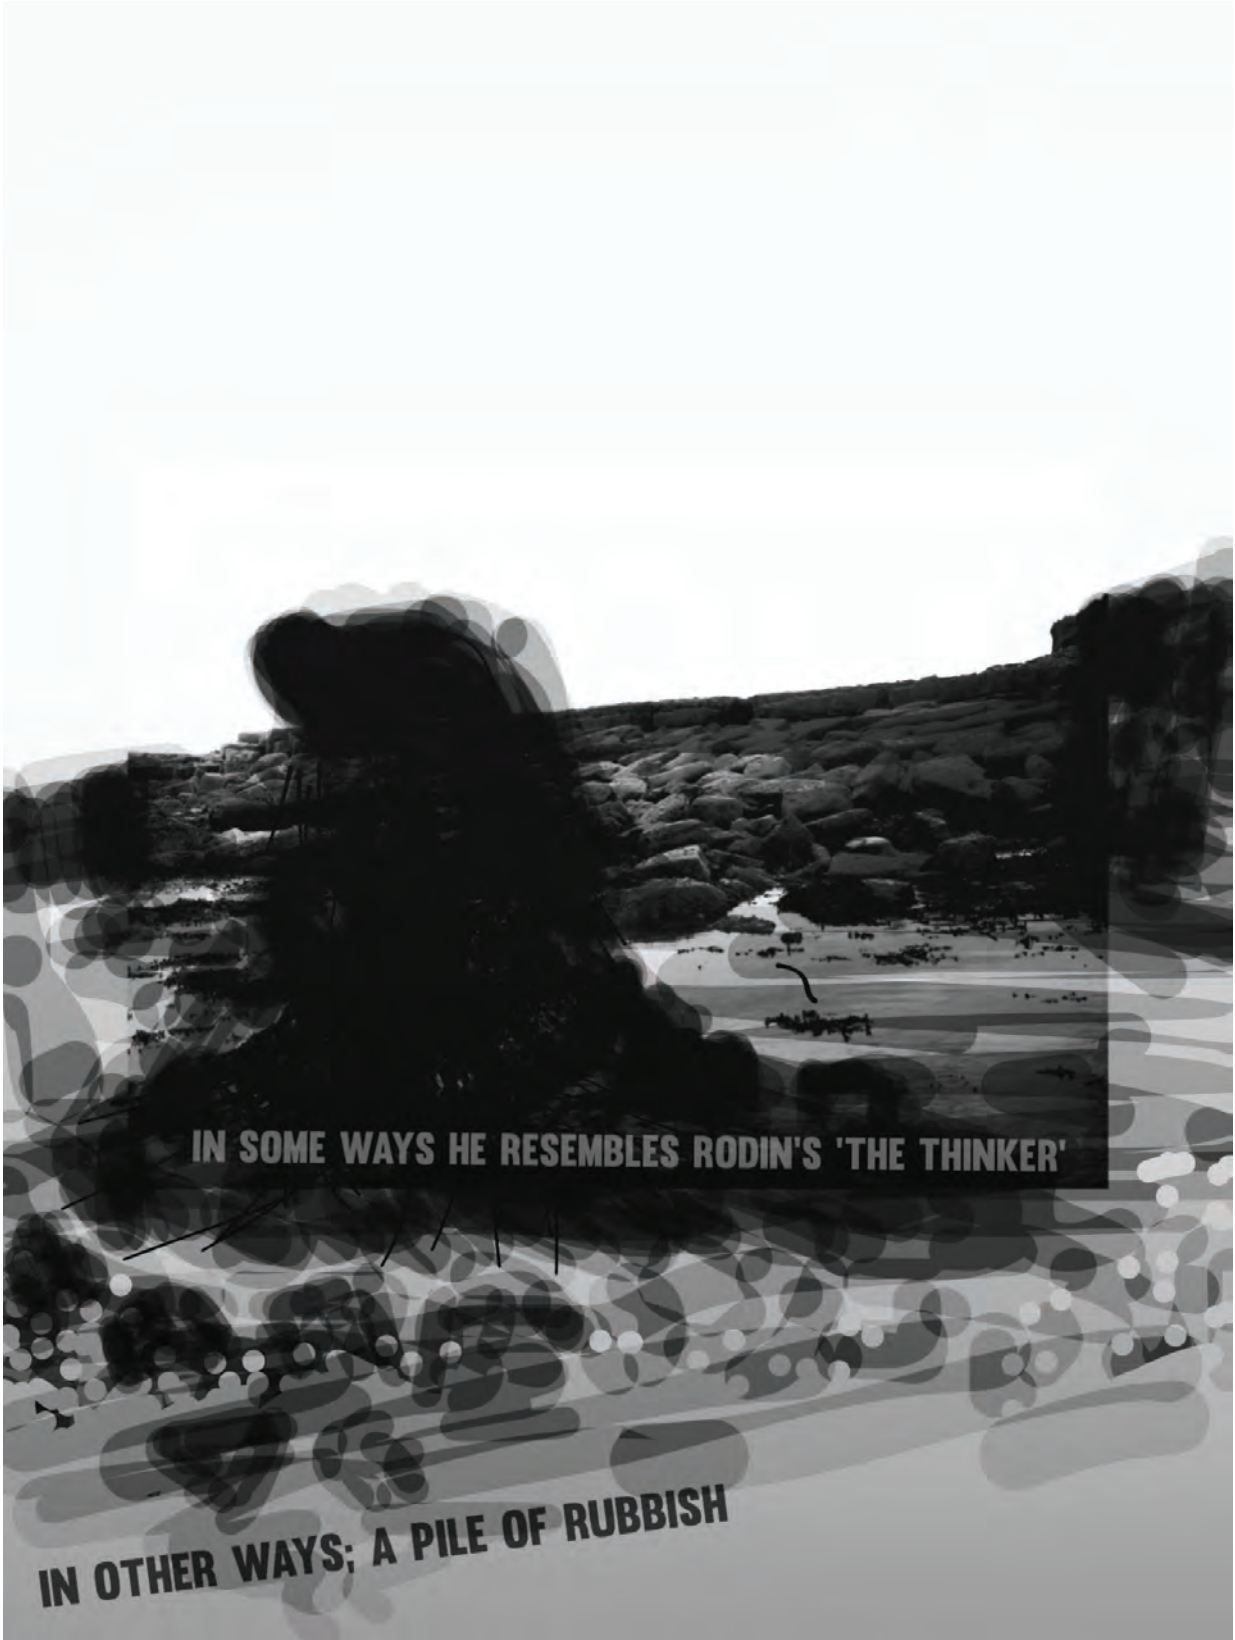

**QUICK SHOTS EXPLORE THE TEXTURES OF ROCKS/ROCKPOOLS.**

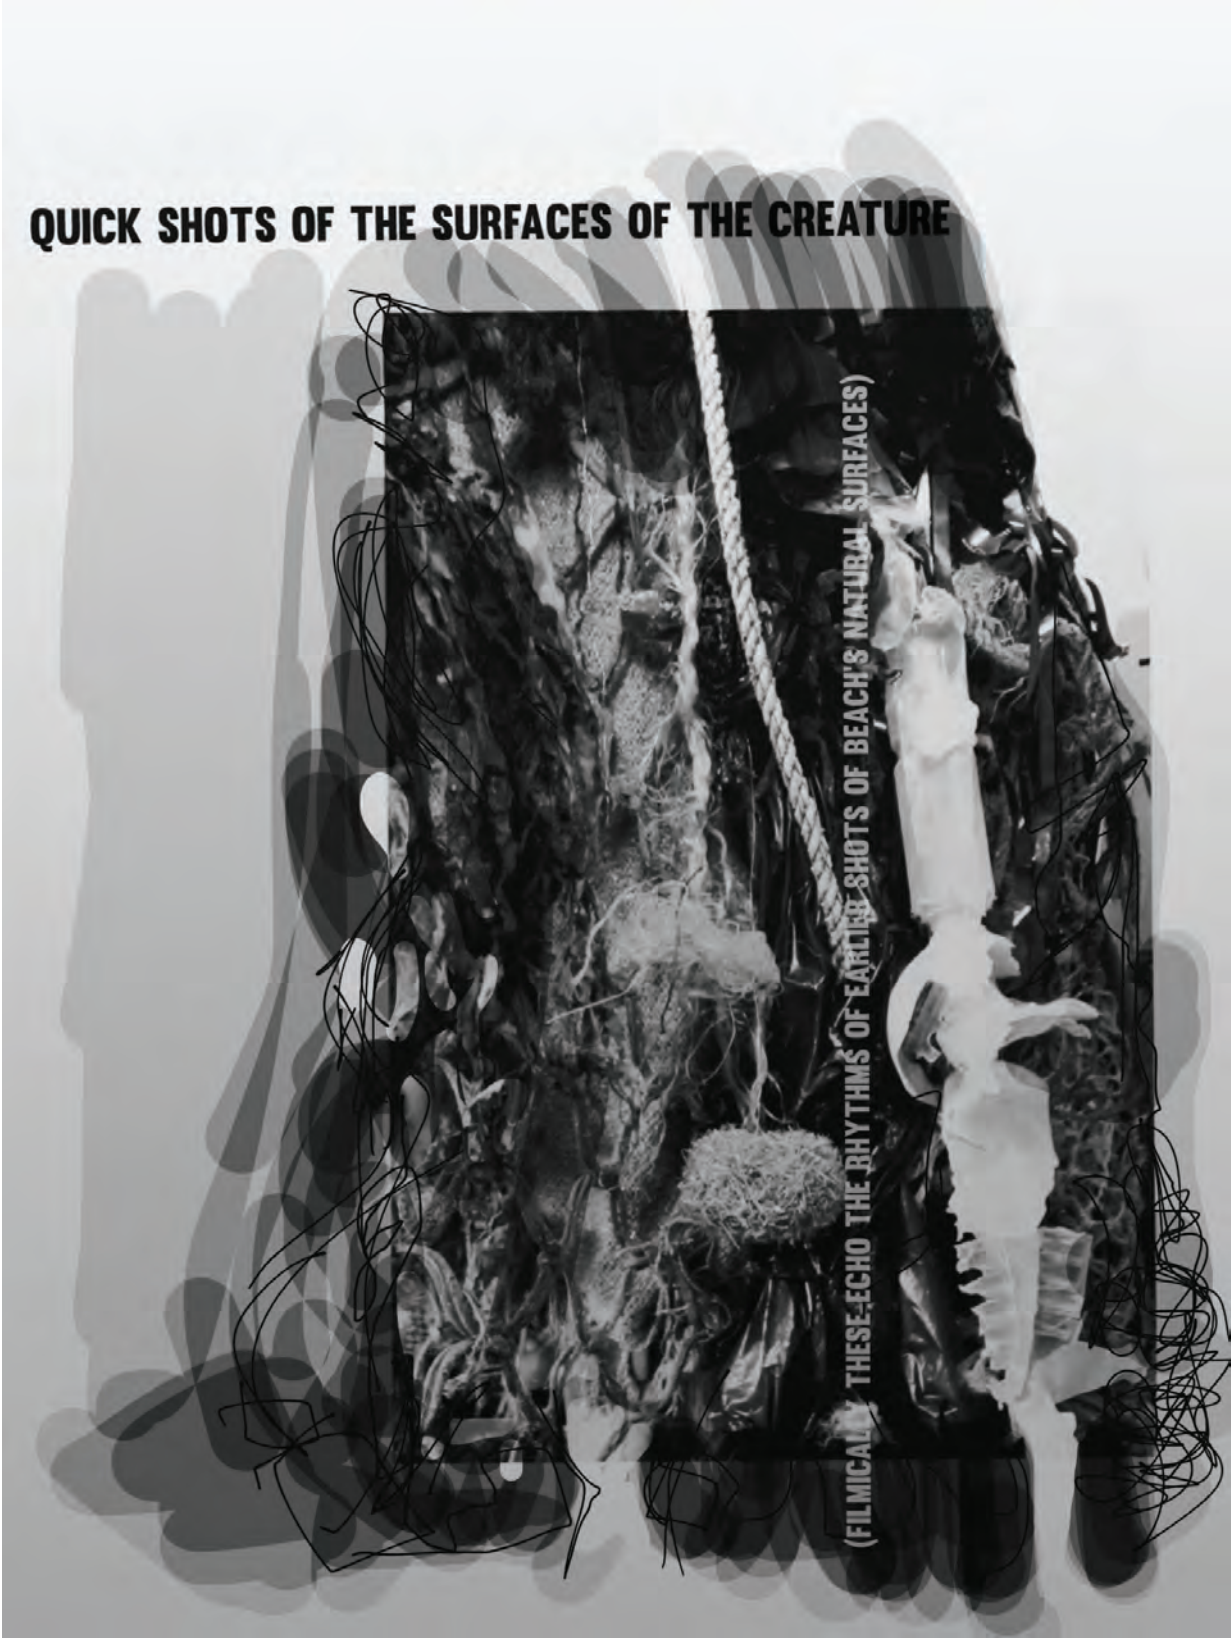

**THE CREATURE SITS HIDDEN ON A ROCK, UNNOTICED BY ALL.**

**IN SOME WAYS HE RESEMBLES RODIN'S 'THE THINKER'**

**IN OTHER WAYS; A PILE OF RUBBISH**

**QUICK SHOTS OF THE SURFACES OF THE CREATURE**

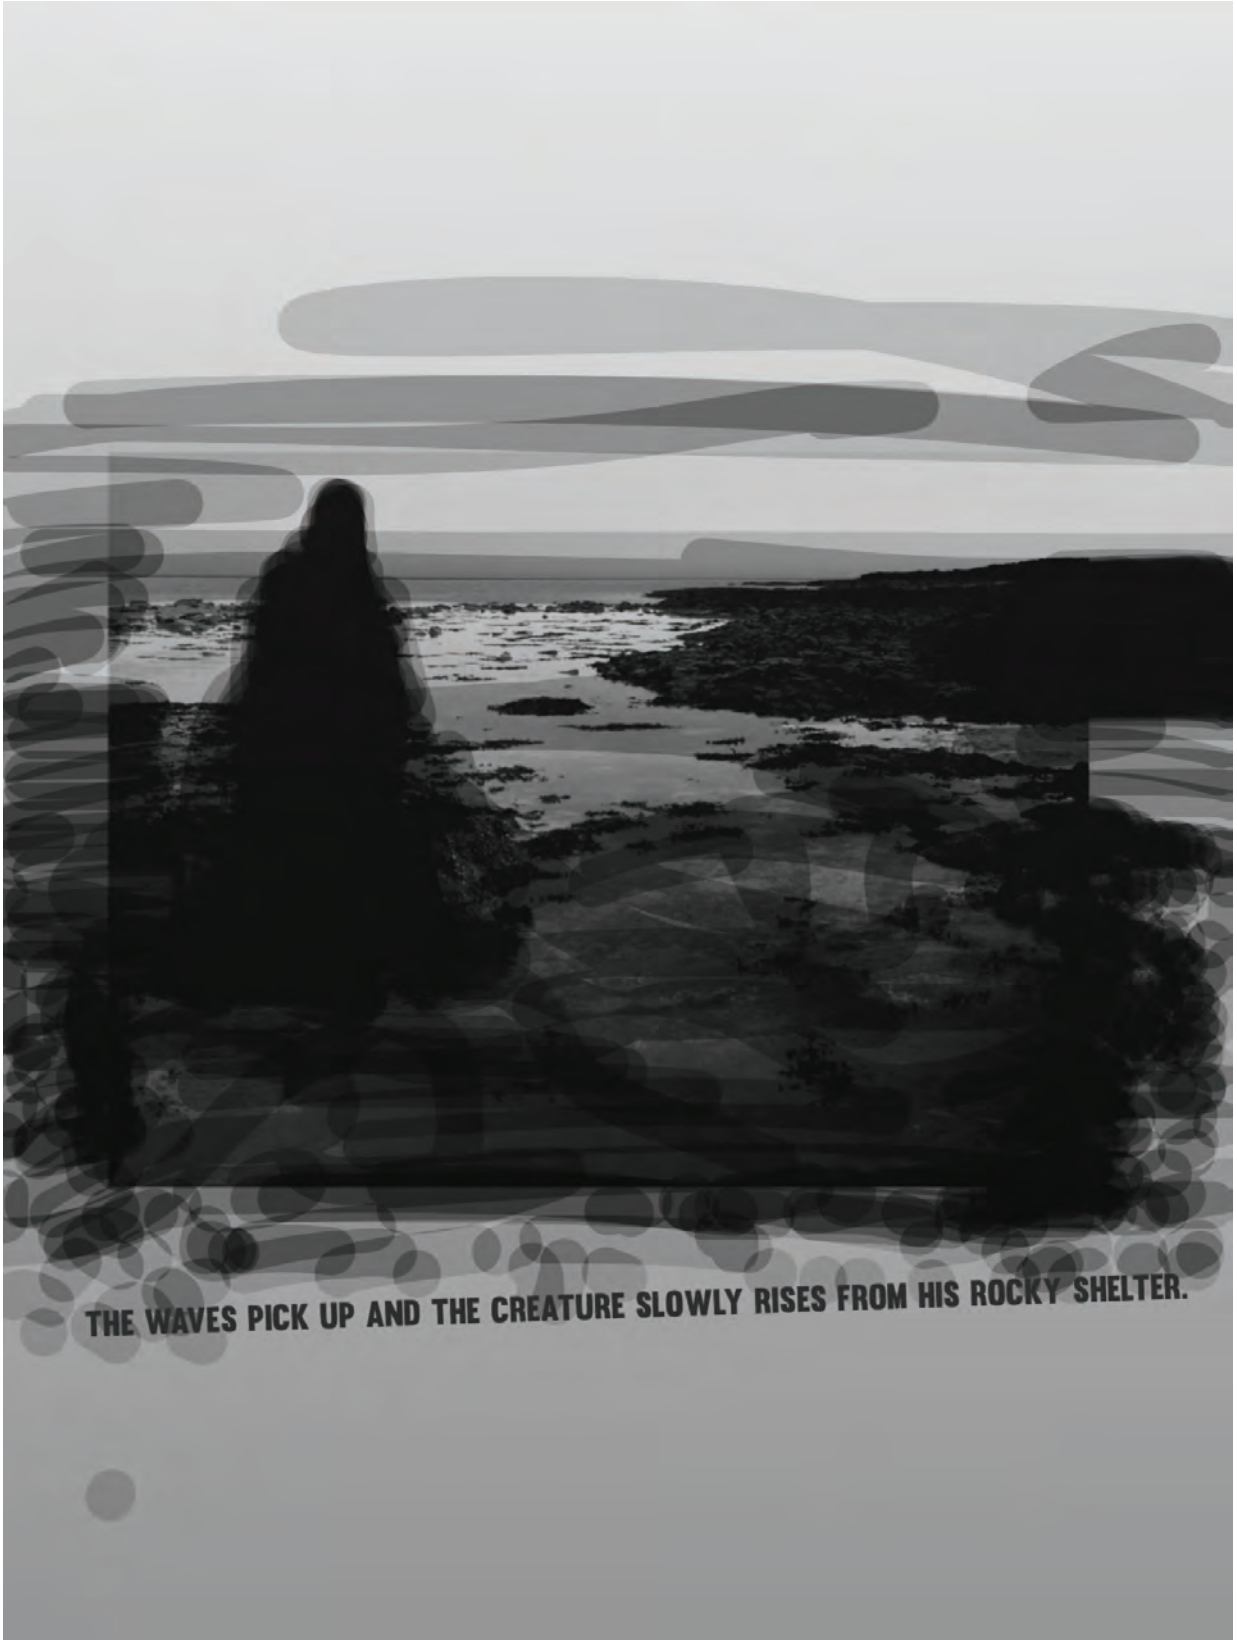

(FILMICALLY THESE ECHO THE RHYTHMS OF EARLIER SHOTS OF BEACH'S NATURAL SURFACES)

**THE WIND BEGINS TO PICK UP AND THERE IS A CHANGE IN THE MOTION OF THE WATER.**

**THE WAVES PICK UP AND THE CREATURE SLOWLY RISES FROM HIS ROCKY SHELTER.**

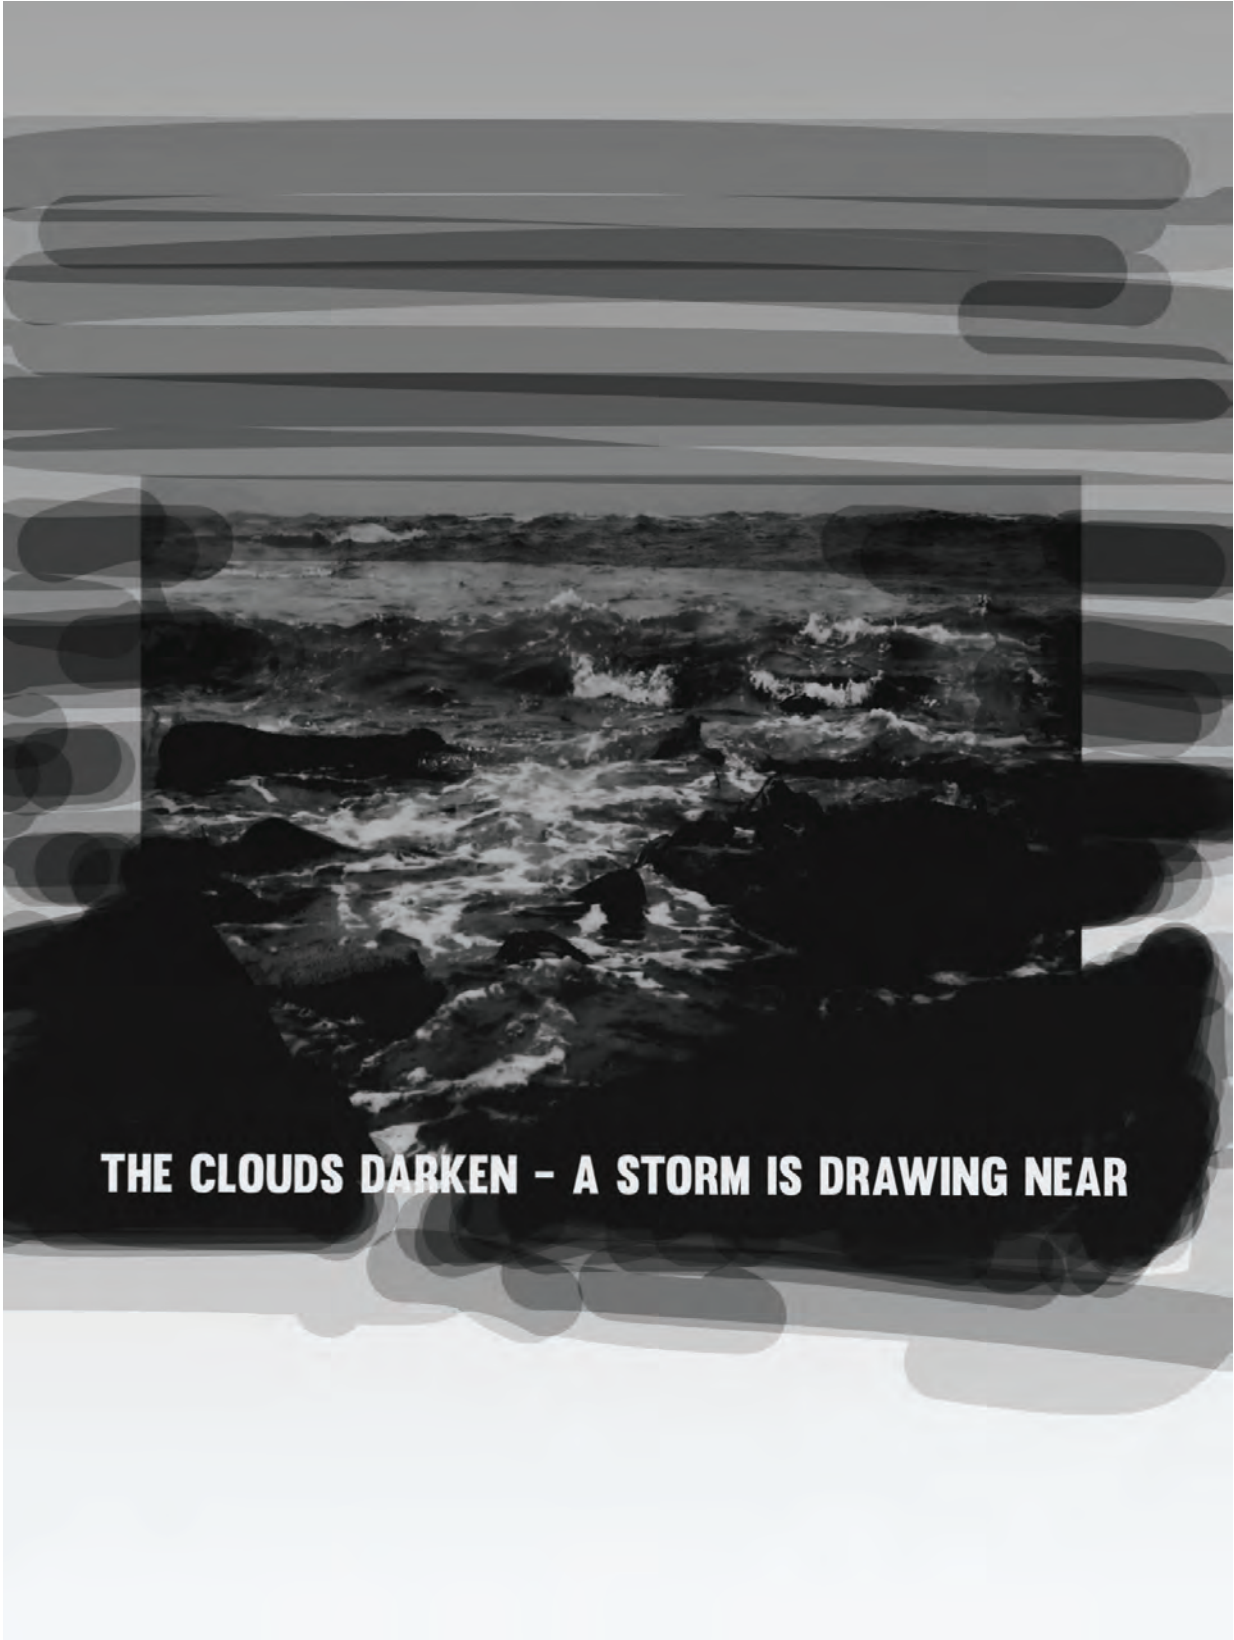

**SHOTS LINGER UPON THE MOTION OF THE WATER**

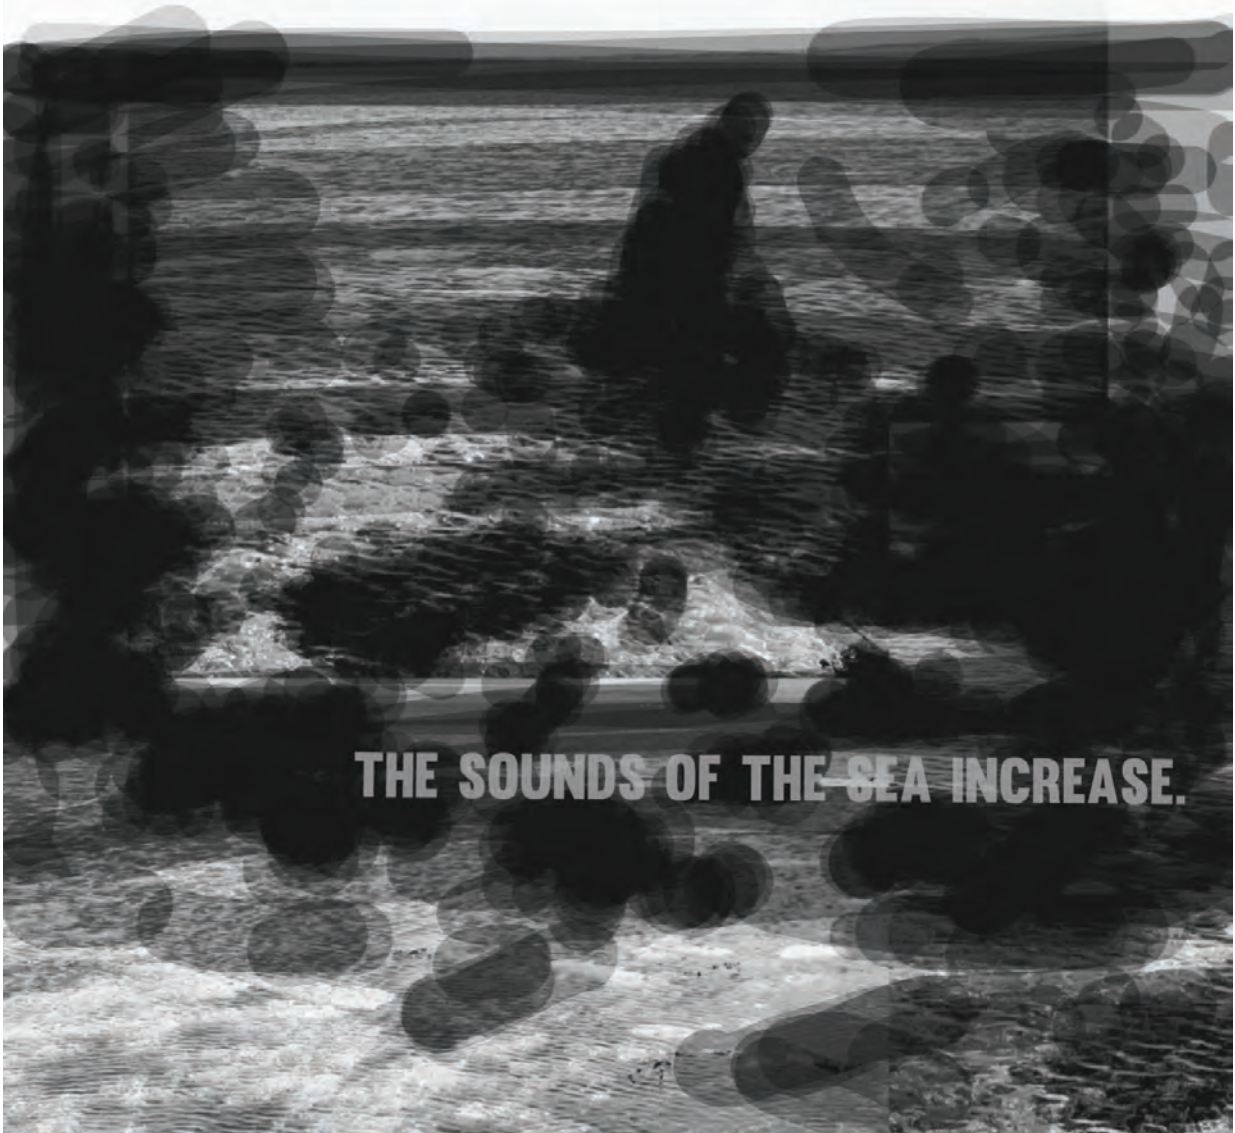

**AT FULL HEIGHT THE CREATURE IS TALLER AND STRANGER THAN EXPECTED**

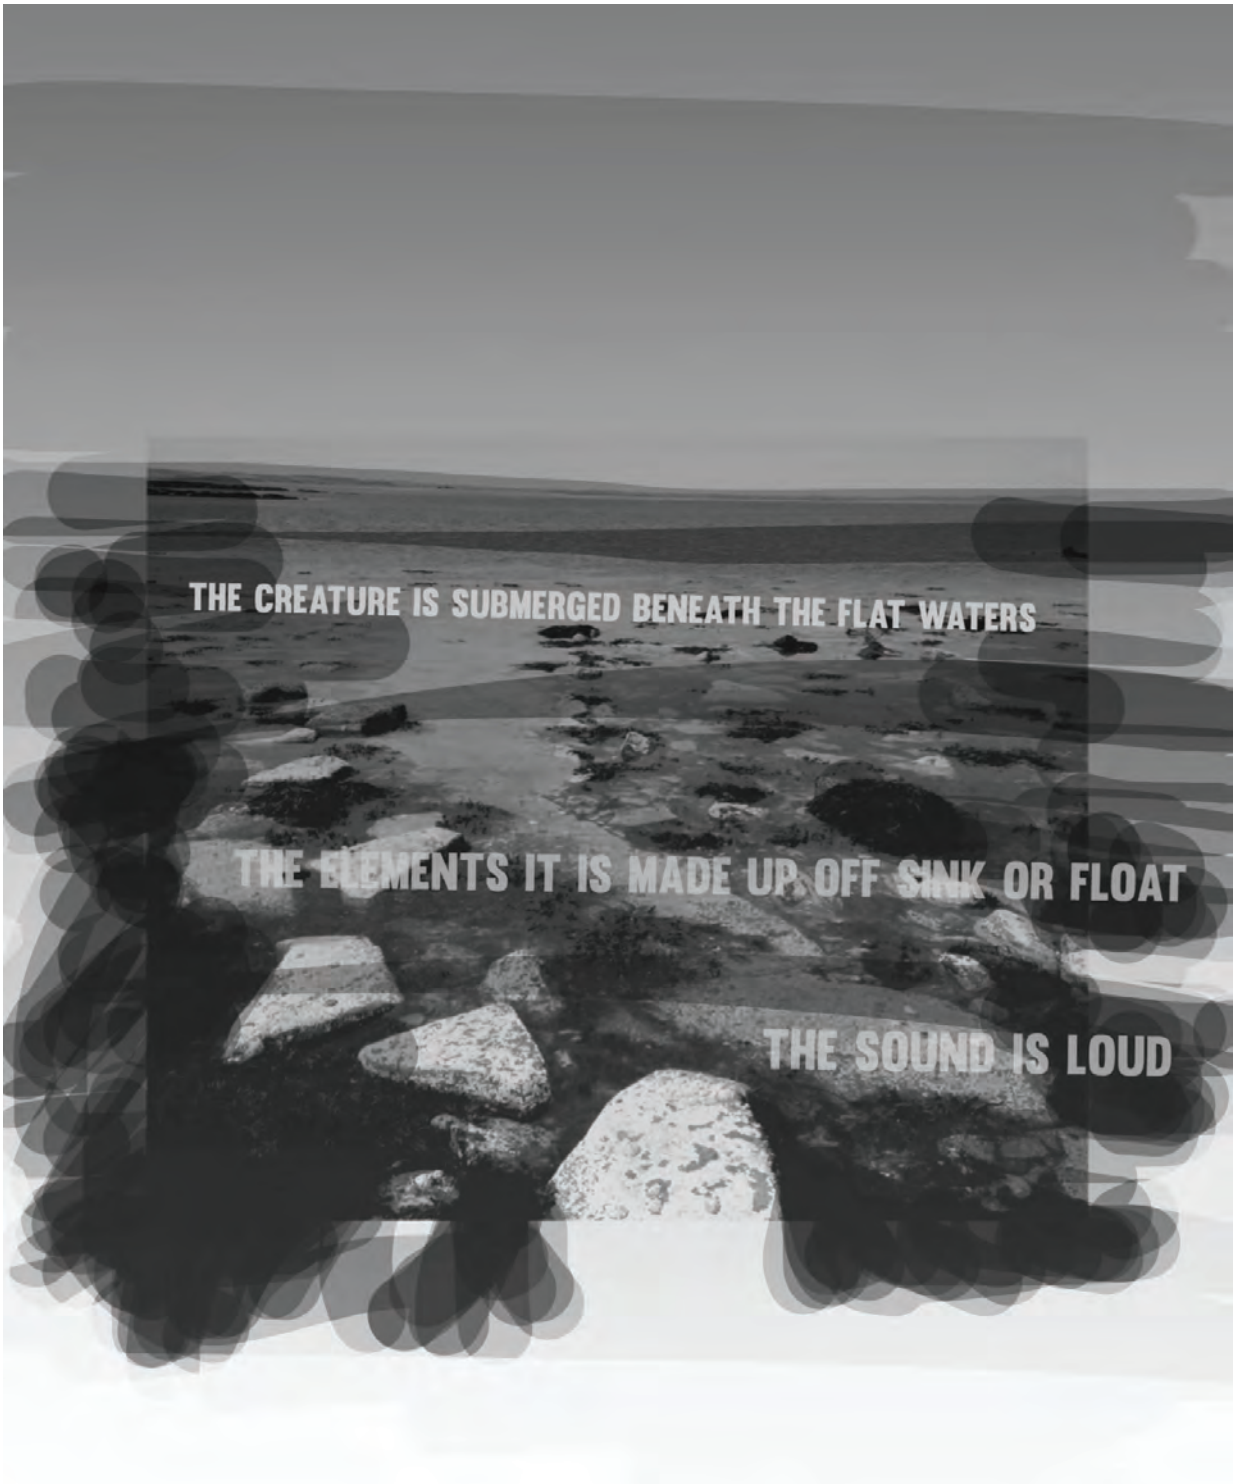

**THE CLOUDS DARKEN - A STORM IS DRAWING NEAR**

**THE CREATURE IS NOW WAIST HEIGHT IN THE WATER**

**THE SOUNDS OF THE SEA INCREASE.**

**THE CREATURE IS SUBMERGED BENEATH THE FLAT WATERS**

**THE ELEMENTS IT IS MADE UP OF SINK OR FLOAT**

**THE SOUND IS LOUD**
